My Movies/Shows/Anime Interface

My Record

Finished Watching:

Shows / Movies images go here - to add a movie to here you must click a show in currently watching and hit "Mark as finished" (Shows set to Private will not show up publically)

Currently Watching:

Shows/movies go here - Media is added here by going clicking Add new show and searching for the show by name. If the show is found the user can click and it will be added.

Friends have watched:

Shows all movies and media friends have completed watching

Friends are watching:

Shows all movies and media friends are currently watching.

| Mark as finished | Add new show | Update | DELETE |

This will be your current list of all shows/movies watched. A user can Mark a show as finished, update their progress on current shows, add a new show to current (by name of show) and delete a show from current.
